DIGITAL MARKETING INTERN – JOB DESCRIPTION

Stipend Range: ₹4000 (Part time) – ₹9000(Full time)
Location: India
Employment Type: Full-time

Company Profile

Galaxy Homeautomation LLP is an India-based organization specializing in advanced home automation solutions. We focus on innovation, technology-driven marketing, and brand growth while offering excellent career opportunities.

Role Overview

The Digital Marketing Head will be responsible for planning, executing, and managing the company's digital marketing strategies to enhance brand visibility, generate leads, and support business growth.

Key Responsibilities

- Develop and execute digital marketing strategies and campaigns
- Manage social media platforms and online presence
- Plan and run paid campaigns (Google Ads, social media ads)
- Monitor website traffic, SEO, and analytics
- Create and manage content calendars and digital creatives
- Analyze performance metrics and prepare reports

Required Skills

- Strong knowledge of digital marketing tools and platforms
- Experience with SEO, SEM, and social media marketing
- Analytical skills and data-driven mindset
- Good communication and leadership skills
